February 2021

the AGAZINE

SIDE NOTES:

Happy Valentines Day! What better way spend time with a loved one then filling out camp forms. Forms are available on your CampMinder dashboard!

- From our website under "Current Families" click CampMinder login.
- Use your email address and password to login.
- ONLY one parent from the primary household may complete the forms (to avoid duplication).
- Physicals must be within 12 months of your campers arrival at camp.
- A RECENT photo of your daughter is a required form!
- **PRETTY PLEASE DO NOT SEND IN ANY PAPER FORMS!!!**
- **KUDOS TO YOU! - Morgan Galanti is the 1ST camper with all forms in!!**

WELCOME

To the Agawak Family!
Introducing more amazing new campers!

Updating your CampMinder Info

We want to be sure that you are receiving all the important information being sent from our office. PLEASE double check your contact information in CampMinder. This includes mailing address, home/cell phone numbers, and EMAIL address. Email is **critical!** Most information is communicated through email. Another important piece will be to upload a **recent** photo of your daughter (if you haven't already). This picture is very helpful for our counselors to recognize your camper right off the bus. Your camper changes significantly from year to year so a recent picture would be greatly appreciated.

THANK YOU

Camp Agawak has its very own World Champion! Jess Wergin, Agawak's Head of Maintenance/ Grounds, took home the checkered flag in not one but two 1st place finishes in the world championship vintage snowmobile races held in Eagle River, WI January 8-10. Jesse has been racing snowmobiles since he was very young. His brother Jon, who also works at Agawak, is part of his crew. Not surprising but Jesse's daughter June (6), already has her own mini snowmobile so the tradition will continue!

Your Agawak administrative team has been hard at work since September planning for a safe and exciting overnight camp experience for our campers and staff. We continue to move forward and are paving a clear path for both sessions to move forward. First session campers will be placed with first session campers along with some full season campers when necessary. Incoming second session campers will bunk with other second session campers. This strategy will add yet another "layer" of protection for our camp community. Many layers of protection will be implemented this summer to minimize the risk of COVID including testing and cohort groups. Another layer of protection will be masking when indoors. This does not include the cabin setting. Campers will need to bring their own labeled masks. Single layer masks are not our friends. All face coverings must be made of at least 2 ply. No single layer masks and no necks gators please!

Schedule a physical exam for your child

One of the required forms is a "Physical Form" that must be filled out by your child's doctor. Exams dated **after August 11th, 2020 are valid**. Due to ACA requirements, please use the form we provide in CampMinder.

LICE CHECKS w/in 10 days of arrival to camp

Your daughter must get a lice check from a reputable lice company no earlier than 10 days before her arrival to camp. You will need to email an official note/form denoting a 'clear' check to fun@agawak.com

Sundays we wear NAVY and WHITE!

Campers will need NAVY blue bottoms and a WHITE Agawak shirt. This is an Agawak tradition dating back to 1921 when campers were required to wear blue & white every day. We now wear to lunch and dinner on Sundays. You may order your white Agawak V-neck by emailing fun@agawak.com Indicate the number of shirts (we suggest 2) and SIZE. Shirts will be given out upon arrival at camp. Cost of $15 will be added to SMA. *Not needed for Rookie 1 camp.
