Welcome to Camp Agawak!

Welcome Friends and Family

Full Speed Ahead!

At 1:00pm, the camp will be closed to visitors. This will give us a chance to get things spick and span for the start of the second session. Camp will reopen on Sunday morning at 11:00am.

Please have your daughter back to camp by 11:00am on Sunday morning.

Parents will not be allowed into camp on Sunday morning. We know that dropping off your daughters can be an emotional experience, not only for her but for you as well. We really need your full cooperation to move full speed ahead into the second session. The quicker the drop-off, the quicker your daughter's transition back to camp will be. Your cooperation is greatly appreciated!

Also, please remember:

No food or candy will be allowed back into camp! No campers are permitted to have cell phones in camp! Thank you

Greetings and welcome to the beautiful Northwoods of Wisconsin! We are so happy to have you here with us, and if we're happy, then your daughters are ecstatic, elated and absolutely overjoyed! We have put together a schedule of events for you, which is designed to make your visit here as enjoyable as possible. Please feel free to tour the camp between the hours of 9:00am and 1:00pm. To begin your morning around camp, please stop by the Cottage for a beautiful breakfast buffet, where you can make a plate to walk around camp with! We offer so many terrific activities at camp and we invite you to watch your daughters show off all she's been doing this summer. We apologize, but we simply cannot accommodate any skiers or boaters who are not currently campers. Feel free to pick up a racket, tour the candle shop, arts & crafts and our brand new Climbing Tower in the Upper Field! The Camp Store will also be open from 9am-12pm.

Important Reminders

- No smoking on camp grounds.
- Please do not bring any pets into camp.
- Be careful to watch your step as you walk through camp, as the ground may be uneven.
- Parents who are picking up a first session camper: do not forget to get your bags at the end of Mary's driveway on your way out!
- Campers must return to camp by 11am on Sunday Morning!
