The Admin Team is extremely lucky to gain a new member—KILEY ISAACSON! Kiley has been a part of Agawak as a camper & counselor for 14 years! She is currently an elementary teacher in the Chicago suburbs. Her energy, years of Agawak experience and professional training make her an invaluable asset to our Admin Team. Just one more reason 2021 is going to be GREAT!

STAFF BIRTHDAYS:

December Birthdays

NOTE FROM THE DIRECTOR

As I was making breakfast the other morning, I noticed someone had sent me a message through Facebook. I clicked to read a thoughtful message from one of my former international counselors from many years ago. Even in these pandemic days, I feel connected to someone on the other side of the world who I share a friendship and camp bond with. I am grateful for all our amazing staff, American and International, past and present who are the backbone of our 100 year history. Thank you for making Agawak a place our campers cherish deep in their hearts.

We are excited to be paving a clear-cut path for more friendships to flourish from far and near. By now, everyone who is registered for this coming summer should have received a mailed letter with important COVID updates. Please reach out to us if you did not receive this mailing. We will adapt and adjust protocols as new information from the CDC comes out. Just this morning, I heard from NPR that the CDC shortened its quarantine recommendations for people who may have been exposed to COVID. We will continue to monitor the virus and CDC quarantine recommendations in the months ahead. Although we can't guarantee a 100% COVID free camp, we will take significant measures to try and keep it out!!

I wish our entire camp community a safe holiday season filled with love and gratitude.
Virtual Camp Hugs,
Mary
