

the AGAWAK

November 2020

Wedding bells were ringing for our very own nurse Pat Johnson on August 22 to Dave Nieman in Sturgeon Bay surrounded by a small group of family. The adventurous couple took a trip to the boundary waters lugging gear, a 45lb canoe and weathered one of the worst storms of the season for their honeymoon. Our CIT's take this trip each summer as well. Just goes to show, you are never too old for love or adventure. Pat can't wait to see you all next summer!

GIVING IS GOOD

- Give out of love, not obligation.
- Give when it's least expected.
- Give without strings attached.
- Give from your heart.
- Give of yourself.
- Give to make a difference.
- Give without keeping score.
- Give for no reason at all.
- Give a little if you can't give a lot.
- Give without being asked.
- Give to those who need it most.
- Sometimes all you need to give to someone is your attention.

Hold up! Wait a Minute! Let's all get out there & show your SPIRIT

Our handy dandy carpenters, AKA Jesse and Jon, have been busy this fall remodeling cabin H's bathroom. You can hardly recognize it. Painted walls, new lightening, a new vanity and sinks and shelving will greet lucky campers who will occupy this cabin next summer. One of the best features of the remodel work is the brand new tile floor. Credit for the beautiful floor goes to Dean and Bill Fuhrmann who accomplished this in just one weekend. Great job everyone. It looks amazing!
