

the AGAWAK

March 2023

Side Notes:

Pre-camp Packets were mailed out last week. Please take the time to carefully read through yours. If you don't receive it in a reasonable time frame please let us know.

Keep your packet throughout your camper's stay and refer to it when needed!

May 1st—Forms due! It is common the last week of April for parents to develop form anxiety. To avoid this affliction, start your forms early. If your camper cannot get their physicals before May 1, please email the office and we will make a note, but so you don't get FOMO we will continue to send our gentle missing forms email reminders.

PLEASE update your campers picture in

March Birthdays

New Parent Zoom Meeting: April 2, 2023 7:00pm

This zoom meeting is for all parents of new campers. We will cover things such as:

- Prepping for camp
- Activities and Meals
- Health Center
- Packing and Laundry
- Daily Cabin Reports
- Homesickness
- Forms

Questions are welcome and encouraged
Hope to see you there!

On Sundays, campers and staff wear white shirts and navy blue bottoms. Any white shirt will work but if you would like to order an Agawak white V-neck shirt please email the office, fun@agawak.com. We will order the shirt(s), charge your SMA and campers will pick them up at the camp store on their first day of camp. Please send the size and quantity by **May 15th**. Shirts are Bella brand which tend to run a bit small. If the size ordered is wrong we can exchange. Cost is \$15

A few leprechauns have lost their hats. See how many you can find. Unfortunately they did not label them so once collected, they will go into the lost and found and may not get back to the rightful owner. Can you guess the moral of the story? See page 9 of the pre-camp packet.
