- ONLY one parent from the primary household may complete the forms (to avoid duplication).
- Physicals must be within 12 months of your camper's arrival at camp.
- A RECENT photo of your daughter is a required form! If you have an 8th grader but a 3rd grade picture, pretty please update!

**PRE-CAMP PACKETS** will be coming your way the beginning of March. Packets will be mailed to both primary and secondary households. Hold on to your packet until your camper completes their camp session. It is important to go over camp's policies with your camper. Even if your camper is a "veteran", go through the packet with her. There are new changes each year. We want all campers and parents to know what to expect in terms of behavior, prohibited items, etc.

Mary and the Agawak staff are proud and elated to have Jacob Fried, Mary's son, officially join the Agawak Administrative Team. Jacob was born and raised in Minocqua, WI and graduated from Lakeland Union High School in 2017. He attended Marquette University where he received his undergraduate and Master's degree in accounting.

If you know Jacob, you know he loves Agawak, people and sports. While at Marquette he rarely missed a sporting event and in his free time enjoyed tutoring students in accounting. While he enjoys living in Milwaukee during the off-season, there's no place he'd rather be in the summer than on Blue Lake with our camp family.

Jacob brings compassion, strong leadership and fresh perspectives to our leadership team. His humorous nature and big heart will undoubtedly bring wide smiles to our extraordinary camp community.
