## Enrollment Information and Policies

To enroll a camper at Camp Agawak, please complete the on-line registration at [www.agawak.com](http://www.agawak.com). If paying by check please send to: Camp Agawak, 7851 Agawak Rd, Minocqua, WI 54548

We will only hold spots for campers whose applications are complete and the required deposit is made. In the event an age group becomes full, we will implement a waiting list for that age group. Campers will be placed on the waiting list upon receipt of their completed application. Deposits will be processed for campers on the waitlist until a spot becomes available and the camper chooses to enroll.

**Laundry:** All campers are REQUIRED to have 2 labeled laundry bags to identify camper's clothing when it returns from the laundry service. Laundry service is included in your tuition. Laundry goes out once a week. Please pack light.

**Transportation:** Chartered bus transportation is available from a Chicago and a Milwaukee location. Arrangements for campers that fly as an unaccompanied minor must be made by parents ahead of time.

## Cabin Placement Policies

Remember camp is a place for making friends, both NEW and old!

- ☺ Although we will gladly consider requests made for cabin mates, **WE MAKE NO GUARANTEES!** Careful consideration is given to group and individual personalities, geographical diversity, length of stay, and prior experience at camp as well as cabin requests. Individualized weekly schedules and daily free periods give opportunities for campers to spend time with new friends or old who are living in different cabin groups.
- ☺ Cabin requests are made ONLY on-line and at time of registration.
- ☺ Campers who make more than one request are more likely to have a request honored than campers who only make one cabin request.
- ☺ Requests from prior summers are not carried forward. Please renew requests each summer.
- ☺ Requests NOT to be with other campers are strongly discouraged since kids' behavior at camp is often very different from their behavior at home. Disrequests might receive priority over requests to be with other campers.
- ☺ Cabin groups will not be disclosed prior to the campers' arrival at camp. Please don't ask before then.

## Deposits, Enrollment Changes, Cancellations and Balance Due

  - **After December 1st, 2025 - Loss of deposit and payments**

### During the Camping Season

- ☺ Tuition will not be prorated for campers regardless of reason for arriving late, leaving early, or departing temporarily during the summer.
- ☺ In the event a camper must leave camp early for a reason Camp Agawak considers to be unavoidable (family emergency), a portion of the unused tuition may be applied to the following summer's tuition.
- ☺ Camp Agawak reserves the right to dismiss, without tuition refund and at the Directors' sole discretion, any camper whose behavior is deemed unacceptable or harmful to herself, cabinmates or the camp community.
- ☺ Any camper who violates a camp rule, such as stealing or having a cell phone, may be dismissed without tuition refund and at the Directors' sole discretion.
